ABOUT ME

I'm a junior Interior Design student at SCAD who loves turning ideas into spaces that actually make sense for people. I enjoy the process just as much as the final outcome. Through internships, leadership roles, and mentoring, I've learned how to work collaboratively, communicate design intent clearly, and guide others through studio workflows and software.

EDUCATION

Savannah College of Art and Design (SCAD)
BFA Interior Design
Atlanta, GA | Expected Graduation: May 2027
Dean's List

SKILLS

TECHNICAL SKILLS

Revit
AutoCAD
SketchUp
Enscape
Adobe Photoshop
Adobe InDesign

DESIGN SKILLS

Space Planning
Construction Documentation
FF&E Specification
Material & Finish Selection
3D Visualization
Rendering

LEADERSHIP EXPERIENCE

Savannah College of Art and Design

Events Director — ASID x SCAD Chapter 2025 – Present

Lead planning and execution of design-focused events and industry programming to strengthen student engagement and professional exposure.

Undergraduate Peer Mentor 2024 – Present

Instruct and support students in Revit, AutoCAD, SketchUp, Enscape, and Adobe Creative Suite as part of interior design studio mentoring.

SCADbound Leader 2024 – Present

Represent SCAD through campus tours and admissions events, communicating programs and student experience to prospective families.

Student Ambassador 2024 – Present

Serve as a university representative at outreach events, building connections and supporting recruitment initiatives.

PROFESSIONAL EXPERIENCE

Avesana Architecture & Environmental Design Interior Design Intern

New Delhi, India | Jun 2025 – Aug 2025

- Worked on 2–3 large-scale residential interior projects (3–4 BHK, 2,000–3,500 sq ft) supporting teams from concept through design development.
- Produced Revit- and AutoCAD-based drawing sets including floor plans, reflected furniture layouts, and 10–15 interior elevations incorporated into client presentations and DD packages.
- Led development of material palettes and finish schedules (flooring, wall treatments, millwork, hardware) aligned with client lifestyle, durability, and budget constraints.

Essentia Environments Interior Design Intern

Gurgaon, India | Nov 2024 – Dec 2024

- Supported luxury residential and hospitality-style interiors, with emphasis on spatial quality, detailing, and visual coherence.
- Built high-fidelity Revit and SketchUp models to test multiple layout options, furniture clearances, and experiential flow.

Pulse Events & Wedding Creative Production Lead

New Delhi, India | Jun 2024 – Aug 2024

- Designed immersive event interiors using spatial zoning, thematic palettes, and décor compositions.
- Created scaled layout plans and concept diagrams to guide fabrication teams.
- Directed vendor coordination and onsite installation sequencing to ensure cohesive execution.

Designer Intern — The Wedding Forever Studios

New Delhi, India | May 2023 – Jun 2023

- Assisted in developing décor layouts, backdrop elevations, and event spatial compositions.
- Supported material + textile sourcing, color palette refinement, and thematic design direction.

Architectural Intern — Avesana Architecture & Environmental Design

New Delhi, India | May 2022 – Jun 2022

- Drafted architectural floor plans and elevations for residential interiors.
- Conducted precedent research and prepared schematic-level concept boards.

Architectural Intern — Better Build Architects and Designs

New Delhi, India | May 2021 – Jun 2021

- Assisted with assembling finish palettes and organizing presentation layouts.
- Supported designers in layout development and preparation of client deliverables.
