

NAVYA BEHKI

INTERIOR DESIGNER | INTERIOR DESIGN STUDENT (BFA), SCAD ATLANTA

Atlanta, GA | +1 (912) 482-6572 | navya24behki@gmail.com | linkedin.com/in/navyabehki | navyabehki.com

PROFESSIONAL SUMMARY

Interior Design student (BFA, SCAD Atlanta, expected May 2027) focused on luxury hospitality, retail, and workplace interiors, with seven internship and design roles across the United States and India, including design development for a restaurant at Blue Lantern Studios. Proficient in Revit, AutoCAD, SketchUp, Enscape, and Adobe Creative Suite, with strengths in space planning, construction documentation, FF&E specification, and material and finish selection. Dean's List student and campus leader (ASID Events Director, SCAD Home Mentor, Peer Mentor) who communicates design intent clearly to clients, teams, and vendors.

EDUCATION

Savannah College of Art and Design (SCAD), Atlanta, GA Expected May 2027
Bachelor of Fine Arts (BFA), Interior Design | Dean's List

PROFESSIONAL EXPERIENCE

Interior Design Intern, Blue Lantern Studios | Atlanta, GA Jun 2026 - Aug 2026

- Contributed to the Design Development (DD) phase of Villatel Orlando, a three-meal food and beverage (F&B) restaurant, within a hospitality interior design studio.
- Supported space planning, FF&E, and material and finish coordination for hospitality interiors.
- Collaborated with the lead designer, project manager, and a fellow intern in a team-based studio workflow.

Interior Design Intern, Avesana Architecture & Environmental Design | New Delhi, India Jun 2025 - Aug 2025

- Supported 2-3 large-scale residential projects (3-4 BHK, 2,000-3,500 sq ft) from concept through design development.
- Produced Revit and AutoCAD drawing sets, including floor plans, reflected furniture layouts, and 10-15 interior elevations used in client presentations and DD packages.
- Led development of material palettes and finish schedules (flooring, wall treatments, millwork, hardware) aligned with client lifestyle, durability, and budget constraints.

Interior Design Intern, Essentia Environments | Gurgaon, India Nov 2024 - Dec 2024

- Supported luxury residential and hospitality-style interior design projects, focusing on spatial quality and detailing.
- Built high-fidelity Revit and SketchUp 3D models to test layout options, furniture clearances, and experiential flow.

Creative Production Lead, Pulse Events & Wedding | New Delhi, India Jun 2024 - Aug 2024

- Designed immersive event interiors using spatial zoning, thematic palettes, and decor compositions; created scaled layout plans and concept diagrams to guide fabrication teams.
- Directed vendor coordination and onsite installation sequencing to ensure cohesive execution.

Designer Intern, The Wedding Forever Studios | New Delhi, India May 2023 - Jun 2023

- Assisted with decor layouts, backdrop elevations, and event spatial compositions; supported material and textile sourcing.

Architectural Intern, Avesana Architecture & Environmental Design | New Delhi, India May 2022 - Jun 2022

- Drafted residential floor plans and elevations; prepared precedent research and schematic concept boards.

Architectural Intern, Better Build Architects and Designs | New Delhi, India May 2021 - Jun 2021

- Assisted with finish palettes and presentation layouts; supported designers with layout development and client deliverables.

LEADERSHIP EXPERIENCE

Events Director, American Society of Interior Designers (ASID), SCAD Student Chapter 2025 - Present

- Lead planning and execution of design-focused events and industry programming that strengthen student engagement.

SCAD Home Mentor, SCAD 2026 - Present

- Mentor and support new students as they settle into SCAD.

Undergraduate Peer Mentor, SCAD Interior Design 2024 - Present

- Instruct students in Revit, AutoCAD, SketchUp, Enscape, and Adobe Creative Suite through interior design studio mentoring.

SCADbound Leader, SCAD 2024 - Present

- Represent SCAD through campus tours and admissions events, communicating programs to prospective families.

Student Ambassador, SCAD 2024 - Present

- Serve as a university representative at outreach events, building connections and supporting recruitment initiatives.

SKILLS

Software: Revit, AutoCAD, SketchUp, Enscape, Adobe Photoshop, Adobe InDesign, Adobe Creative Suite

Design: Space Planning, Construction Documentation, FF&E Specification, Material & Finish Selection, Design Development, 3D Visualization, Rendering, Reflected Ceiling Plans, Finish Schedules, Client Presentations, Vendor Coordination

Project Types: Hospitality, Restaurant / F&B, Retail, Residential, Workplace, Senior Living, Event Design
